## A Few of the Sale Heifers

# Announcement

---

We welcome you to another of our anual fall sales with the feeling that we have the greatest offering in the history of these events. As usual, this sale will contain the tops of our yearly production, as well as a few special features revealed in this catalog.

Village Count will bring national recognition to the herd that buys him and we are offering him only as a very special attraction. Both bulls and females sired by him, there are about thirty in this sale, will show exactly how well he has done in our herd.

We think this offering will carry on our program of producing cattle that make repeat customers. We take pardonable pride in the record of performance Tomson Shorthorns have made for their new owners.

## Guarantee

All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but at their risk of loss or injury.

## Terms

The terms of the sale are cash.

## Health

All animals have been tested for T. B. & Bang's disease and can be shipped anywhere.

### KEEP THESE SALES IN MIND—

November 13th—E. L. STUNKEL & W. A. YOUNG & SON. Sale at Young Farm, Clearwater, Kansas.

November 14th—D. H. CLARK SALE. Sale at Clark Farm, Douglas, Kansas.

Proud Archer's twelve years of service in our herd has been of untold value. Scattered over the face of the U. S., his sons and daughters have earned for him the undying role of an improver, one of the truly great bulls of the breed. This great sire is gone now but his influence will be felt in our herd and in our sales as well as in other herds and sales for years to come.

VILLAGE COUNT

Village Count 1905082—Has about all the requirements of a good sire. A good breedy head, low-set body with a thick covering of natural flesh which he carries smoothly and a beautiful coat of red hair. He transmits these qualities and color to his calves in a remarkable degree. There are some thirty of his calves in the sale and many more on the farm that will impress you with the type he is siring. We have decided to offer him for sale, while in the peak of his usefulness, as a special attraction. We can do this, as we still have an interest

in his sire Proud Marksman, and are reserving a son of Village Count for our own use. Knowing what he has accomplished as a sire of calves of good type and rich colors we doubt whether a more valuable sire will be offered this season.
